General information

What is limited warranted?

The extent of the limited warranty given for each product is described alongside each product.

Duration of limited warranty

Each limited warranty lasts for the number of years stated against each product starting from the date of purchase.

What will IKEA do to correct the problem?

IKEA will examine the product and decide if it's covered under this limited warranty. IKEA will then, at its choice, either repair the defective product or replace it with the same or a comparable product. In these cases, IKEA will be responsible for the cost of repairs, spare parts, labor and travel for repair staff that IKEA incurs, provided that the product is accessible for repair without IKEA incurring additional expenditure to gain access. This will not apply in cases where repair work has not been authorized by IKEA. Any defective parts removed in the course of repair work will become the property of IKEA. If the item is no longer sold by IKEA, IKEA will provide an appropriate replacement. IKEA will decide at its discretion, what will constitute an replacement.

Conditions for the limited warranties

The limited warranties are valid from the date of purchase at IKEA or date of delivery if later. The original purchase receipt is required as proof of purchase.

Exclusions

The limited warranties do not apply to products that have been stored or assembled incorrectly, used inappropriately, abused, misused, altered or cleaned with wrong cleaning methods or wrong cleaning products. The limited warranties do not cover normal wear and tear, cuts or scratches, or damage caused by impacts or accidents. The limited warranties do not apply if products have been placed outdoors or in a humid environment or if the products have been used for commercial purposes (unless otherwise stated). The limited warranties do not cover consequential or incidental damages.

For customers in the US only: Some states do not allow the limitation or exclusion of incidental or consequential damage, so this limitation or exclusion may not apply to you. For details see the limited warranty conditions and description for every product.

Care instructions

To be able to rely on this limited warranty you need to follow the specific care instructions for every product. You can find all care instructions at the IKEA stores and on the IKEA website: IKEA-USA.com

General legal rights

This limited warranty gives you specific legal rights. It does not, in any way, affect the rights given to you by law.

How to reach us if you need service:

Contact your local IKEA store. You can find the address and phone number at IKEA-USA.com. Save your sales receipt as proof of purchase. Proof of purchase is required for the limited warranties to be valid. To find out more, see IKEA-USA.com/warranty.
